*My wife and I are adopting our third child from Guatemala and are heart sickened by the delays and mess in Guatemala. We are BEGGING and PLEADING with anyone who will listen to PLEASE NOT implement the Hague Convention. These children need your help! PLEASE do your research and see what is REALLY behind this. Thanks for listening, Marty and Tami Fullerton Ohio*

*My wife and I adopted two beautiful children from Guatemala, one in 1999 and one in 2001. We are now in the middle of our third adoption of a guatemalan child.*

*Our hearts have absolutely been broken as we listen to the stories as well as live our own story of all the adoptive parents who are right now in the process of trying to bring these precious little ones home. PLEASE keep the adoptions laws and regulations in guatemala as they have been. We are OPPOSED STRONGLY to the Hague Convention being implemented! For the sake of these precious little ones PLEASE PLEASE make them let us bring our children home! Our US embassy in Guatemala SHOULD BE on our side and the side of these children! Thank you for listening. Marty and Tami Fullerton, Ohio*
